

Best Poster Award

2012 International Workshop on Future Trends in Microelectronics

*The FTM Committee has recognized as the best poster
“Mechanical energy harvesting with piezoelectric
nanostructures: Great expectations for autonomous
systems”,*

presented by Gustavo Ardila

A handwritten signature in blue ink that reads "Serge Luryi". The signature is written in a cursive, flowing style. Below the signature is a horizontal line.

*Serge Luryi, FTM Chairman
Corsica, June 25-29, 2012*
